**Wang J P, Xu L, Mei S, Hu H R, Zhou J L, Chen Q. Fast and accurate detection of kiwifruits in the natural environment using improved YOLOv4. Int J Agric & Biol Eng, 2024; 17(5): 111–230.**

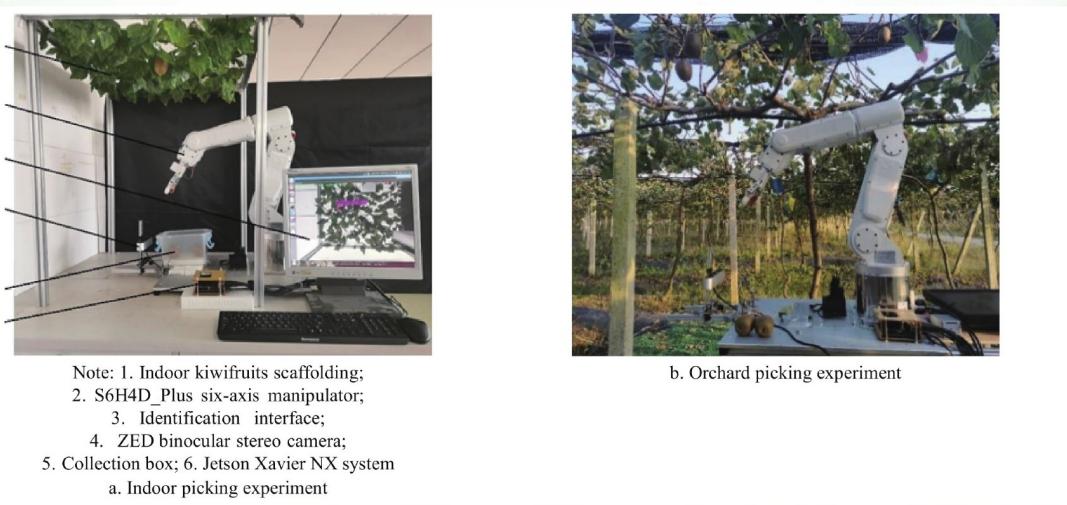

**Figure 1 Kiwifruit image examples in natural environments**

Note: Label “A” represents the detection of small target kiwifruits. Labels “B” and “C” represent the detection of dense clusters of kiwifruits. Label “D” represents the detection of obscured kiwifruits.
